23 August 1983

MEMORANDUM FOR: Executive Assistant  
Office of Personnel

FROM:

[REDACTED]  
C/HRPS

SUBJECT: Weekly Activities Report

1. A Human Resource Management Information System (HRMIS) Report has been produced, reviewed, and highlighted. Anomalies highlighted in the report include earlier than usual separation peaks, an increase in Agency PRA's, and an increase in retirement eligibles.

*I e.*

2. A review of DDI attrition has been completed for FY 1982 and FY 1983, at the request of DDI Admin. This review shows an FY 1983 attrition rate virtually double that experienced by the DDI in FY 1982.

*II e.*

3. Work continued in providing analyzed data to PMCD in support of their queries on technical attrition.

4. [REDACTED] has returned from his recent trip to Toronto, Canada to present a paper for the American Statistical Association.
